LIVING WATER CHRISTIAN SCHOOL

PARENT/STUDENT HANDBOOK

INTRODUCTION

Living Water Christian School; henceforth referred to as LWCS, is a ministry of Living Water Fellowship.

MISSION STATEMENT

The purpose of Living Water Christian School is to provide a sound academic education from a Christian perspective. This educational program is designed for children in school whose parents are committed to a personal faith in Jesus Christ. The Bible is specific in stating the tenets, which underlie Christian education. The Apostle Paul presented a principle when he wrote of Christ, "For by Him were all things created, that are in Heaven, and that are in earth...and by Him all things consist." (Colossians 1:16-17). The Gospel of John states, "All things were made by Him and without Him was not anything made that was made." (John 1:3).

Functioning as an extension of the Christian home, LWCS supports parents who seek to obey Biblical instruction, which gives them ultimate responsibility for the education of their children (Deuteronomy 6:7-8). Because the Christian approach to learning differs significantly from a secular viewpoint, LWCS offers a curriculum rooted in a Christian worldview. This view holds that God's truth is the standard for all truth. The curriculum, taught by a qualified Christian faculty, allows parents to provide their children with an academic experience consistent with the Christ-centered teaching received at home and at church.

STATEMENT OF FAITH

As a Christian school we believe the following articles of faith (not all inclusive) to be foundational to our Christian Philosophy of education:

- We believe in the Bible, the inspired, infallible, authoritative written word of God (II Timothy 15-17; I Thessalonians 2:13; II Peter 1:21).
- We believe in only one God, eternally existent in three persons: God the Father, God the Son, and God the Holy Spirit (Deuteronomy 6:4; Isaiah 43:10-11; Matthew 28:19; Luke 3:22).
- We believe in the virgin birth of Christ, his vicarious, atoning death, bodily resurrection, and the ascension (Isaiah 7:14; Romans 8:34; Acts 2:4; 10:44-46, 15:13,14).
- We believe in the necessity of being born again by receiving Christ personally, as taught in John 3:3.
- We believe in the sanctifying power of the Holy Spirit who enables a believer to live a holy life (Hebrews 12:14; 1 Peter 1:15, 16).
- We believe in water baptism of believers (Matthew 28:19).
- We believe in the baptism of the Holy Spirit, with initial evidence of speaking in tongues, that is available to all believers for power to be a witness and live the victorious Christian life (Acts 2:4, 10:44-46, 15:13, 14).

- We believe in the redemptive work of Christ on the cross, which provides atonement for sins and healing for the human body (Isaiah 53:4; Matthew 8:16, 17; James 5:13, 14).
- We believe in the second coming of Jesus Christ (Acts 24:15; Luke 14:14; Revelation 19:7-9).

SCHOOL PROGRAM

The goal of the SCHOOL is to achieve proper and adequate development of students in terms of academic learning, spiritual growth and healthy social, emotional and physical performance. The School program involves activities designed to encourage growth and development in all these areas. For example, academic learning is encouraged through exposure to letters and sounds, stories told and read, numbers and counting, and colors. Weekly chapel, formal and informal prayer, daily Bible teaching, and applications appropriate to the age of the children encourage faith in God. Growths in social and emotional skills are encouraged as teachers and students relate to each other in daily interactions. Physical skills and development are encouraged through activities that involve large and small muscles. Outdoor activity takes place every day that the weather allows.

SCHOOL HOURS

Preschool Students who are registered in a full day program may attend between the hours of 6:30am until 6:30pm without additional cost. Elementary and VPK students who are registered in our extended day hours may attend between 6:30am until 6:30pm with an additional weekly fee. Students who stay beyond the normal pickup time will be charged a late pickup fee of \$1 per minute for the first 15 minutes, and \$5 per minute after that. The late pickup fee must be paid no later than the following business day before the student is admitted to the school. If a parent is in excess of 30 minutes late and we are unable to reach someone on the emergency list to pick up the child, we will be forced to contact local law enforcement.

The Elementary school hours are from 8:00 am to 3:00 pm. All children will be considered tardy and must be present in the main office if arriving after the scheduled start time to receive a tardy pass. If there is an emergency or a doctor's appointment, please call the school office and notify them that your child will be late. Understanding, that with a doctor's note, your child is welcomed up to 11:00 a.m. On field trip days, where field trips have been scheduled, your child can not be left at the center as the teacher will be accompanying the students, therefore, will not be present at our facility to oversee your child.

No child will be admitted after 9:00am without the Administration's approval, 8:55am for VPK students and 8:00am for Elementary Students

Up to 3 tardy occurrences will be tolerated, each occurrence will be documented, and a tardy slip will be signed by the parent. After each 3 tardy occurrences, your child will not be admitted to school for that day and you will be required to find

other care for your child. The (3) tardy occurrences will be reset each August on the first day of school and will run through the final day of the school year.

ARRIVAL AND DEPARTURE

All students must be documented in and out with the time of arrival and departure. **Parents/Guardians must print their name** when dropping off and picking up the student. First and last initials are not acceptable according to state law. Students who arrive before 8:00 am should meet in the Before Care area until the Lead Teacher arrives. As each student arrives, the teacher on duty will conduct a daily health screening to observe the student for signs and symptoms of illness. If your child shows signs of 2 or more symptoms, your child will not be allowed into school until a doctor's note is provided or your child displays less than 2 symptoms. This is per DCF regulations.

Students who have a temperature over 100 degrees, or has vomited or has had 2 bowel movements of diarrhea, or a disease listed on the communicable disease chart will not be allowed to attend, until clear of symptoms for 24 hours.

Due to COVID-19 if your child arrives to the facility with discharge in their nose or have a cough they will not be allowed into the facility until a doctor's notes is obtained and given to administration.

Parents must accompany their child to the classroom door or meeting area each day. No drops off at the door are allowed for students. Students must be signed in and out each day by a parent or an adult. The sign in and out sheet is located at the Front Desk or in their respective classrooms. All children must be signed in and out daily. Parents are not allowed to sign in and out their child more than once in any given day. These are requirements set forth by government agencies.

Your child is important to us. For your child's protection the following procedures will be followed:

- Only those with prior written permission will be allowed to remove your child from the school.
- Identification will be requested from someone picking up your child who the staff or teachers do not recognize (this may include a parent if the teacher does not know both).
- Your child will only be released to an adult and not to siblings under the age of 18.
- Parents who are separated or divorced must have a court custody order on file with the school before restricting parent pickup privileges.
- Any child who is not picked up by closing will be brought to the office and the parents will be contacted. If the parent cannot be reached, then the alternative emergency numbers will be called. If no one is available, then the administrator will make a decision as to further procedures.
- Parents who pick up children must properly supervise them until leaving the premises.
- Parents have unlimited access to their children so therefore you can arrive on property at any time during operational hours.

CURRICULUM

The curriculum of the school reflects the philosophy and goals of the school. The Bible is used in all classrooms for spiritual development and is taught through the

use of age appropriate stories and prepares the student for higher levels of learning. The curriculum choice used by LWCS is published by WEE Learn for toddlers and three's, Frog Street Press for Preschoolers, and Bob Jones University Press for Elementary. Selections of curriculum may be changed or supplemented as necessary and approved by the Center's Director.

DAILY SCHEDULES

Daily activities are scheduled to incorporate all learning and development. Schedules of the daily activities are located in the School office and in the classrooms. Regularly scheduled activities in the School may include academic studies, development learning centers, snack time, chapel, lunch, outdoor activities, naptime and story time.

LUNCH AND OTHER FOOD

Living Water Christian School will serve morning and afternoon snack at the appropriately scheduled time. The snacks must be provided from home. Your child must be present at the scheduled time in order to participate.

Students are to bring their lunch and snacks daily. Parents are expected to help prevent behavioral incidents by NOT providing carbonated or caffeinated drinks for your child. Please also avoid sending in sweets for your child as a healthy diet helps your child focus in school. Popcorn can be a choking hazard, so we ask that it is withheld from their lunch bags. Candy of any form is not an acceptable lunch item. If a student brings candy in their lunch it will be withheld until the student leaves our school at the end of the day. Foods that are associated with young children's choking incidents must not be served to children under 4 years of age, such as, but not limited to, whole/round hot dogs, popcorn, chips, pretzel nuggets, whole grapes, nuts, cheese cubes/sticks and any food that is of similar shape and size of the trachea/windpipe. Food for infants must be cut into pieces ¼ inch or smaller, food for toddlers must be cut into pieces ½ inch or smaller to prevent choking. This applies to all food, even food provided by parents/guardians.

Students may bring a special snack to share with the classroom for afternoon snack time in honor of their Birthday. However, food brought to the classroom for special occasions, such as birthdays, must be approved ahead of time by the Teacher. Please bring a simple, easy to serve food such as Fruit & Cool Whip or cupcakes or cookies, to be served at a regularly scheduled afternoon snack time. **No party favors, candles or balloons.**

NAPS AND REST PERIODS

Each student enrolled in the One's, Toddlers and Three's full day program will be given a time of rest on a cot provided by the school each day from 12:00 – 2:30 pm. This is in compliance with State Laws. Each child must have a small blanket and crib sheet and travel size pillow to be used during naptime. All blankets and sheets will need to be taken home each Friday to be washed. Blankets, sheets and extra change of clothing will need to be labeled with the student's name. Students are allowed to bring a small, soft toy for naptime. We do not accept large bedding or large pillows as they do not fit in the student's cubbies.

SCHOOL CLASS SIZE

School class sizes vary. Living Water Christian School reserves the right to adjust classroom decorations and/or size according to state regulations. If deemed necessary teacher and staff may also be adjusted to accommodate teacher ratio standards. LWCS reserves the right to start or end age level classes if deemed necessary.

COMMUNICATION

We encourage short visits by parents/guardians in the classroom. We are always looking for parents/guardians to help plan and coordinate classroom parties. You may call LWCS (407-518-1768) option (2) at any time to inquire about your child. The office will answer all calls and relay the message to the teacher/staff. You may leave a message for your child's teacher at any time. We will not take teachers from their classroom to answer phones. The Director is also available to schedule conferences when needed. The Director can be reached via email as well at sla@lwf.live. You can also use the school app and compose a message that will send to the teacher directly.

A daily report will be sent home with each student enrolled in the preschool program. This report will serve as communication to the parent regarding a student's activities, needs or general comments.

A school calendar will be given to parents/guardians upon enrollment. Parent letters and memorandums will also be sent periodically with school announcements and updates.

In the event that our main line goes down and is not working, we will use our fax line (407) 518-1817 to stay in communication with our parents however feel free to email our director at sla@lwf.live.

This is an all year-round school. All students must re-enroll for each school year. The first thirty days of the enrollment period are reserved for current students. During this time, current students should complete a new application and return it to the office with the registration fee. Following this thirty-day period, all students will be prioritized according to their date of application.

WAITING LISTS

Once a maximum number of students have been enrolled for a class, a waiting list will be started. If warranted, the administrator may authorize the establishment of a new class.

The appropriate forms and fees must be completed and turned in at the time of re-enrollment. The school reserves the right to deny re-enrollment to any student that it feels cannot profit from our educational program or any student who has consistently violated school rules and standards of conduct.

Returning students in all grades must have current immunization records on file on the first day of attendance.

HEALTH AND SAFETY

Upon enrollment, each child must have a written statement on file from a licensed physician or authorized agent of a Florida County Health Department stating that the child is in good health or attest that any known medical condition or health problem is under treatment. The following policies must be strictly adhered to.

IMMUNIZATION POLICY

Depending on the age of the child the state of Florida requires immunization of all students against Diphtheria, Tetanus, Pertussis (DPT), Trivalent Oral Polio (TOPV) and Measles, Mumps, Hepatitis B and Rubella (MMR). A TB skin test may be required by the local county health department. A current record of immunization must be filed prior to the first day of school.

Supply an original Florida, completed immunization and medical form, DH 3030 (yellow form) and Form DH 680 (blue form) signed by a physician. This must be on the Florida official, original, local health form and not a photocopy. This form is valid for two (2) years from the date of issuance and is transferable if the child attends another facility.

NOTIFICATION OF COMMUNICABLE DISEASES

When a student has been diagnosed with a contagious illness, the parents must notify the school immediately. The school will then notify parents of all students that may have been exposed to the disease;

Communicable Diseases

Mumps	Scarlet Fever	Pink Eye

Medication forms must be picked up in the School office and filled out before medication can be administered. Medication forms are good for ten days only. Long term prescribed medications may be allowed with written authorization from a physician.

MEDICAL EMERGENCIES

At the time of registration all parents/guardians are asked to fill in the information on the student's application with emergency contact information which includes the name and phone number of the doctor to be notified, as well as the name, address and phone number of the parents and alternate persons to be notified if the need should arise. It is the responsibility of the parent to see that this information is on file. In case of serious illness or injury this information may be used before consultation with the family if this is necessary.

In case of minor illness students may be sent to the office where they may receive care. In case of more serious illness (head injury, bleeding wound, broken bone, fever over 100 degrees) the family will be contacted by phone and requested to come to the school to pick up the ill child. Students who are sick must be picked up as soon as possible (within one (1) hour of being notified). The child will need to be out of the school for 24 hours. If symptoms, after 24 hours, are clear then they can attend school. A doctor's note may need to be provided, if requested by the school, so the child is able to attend. While the child is waiting for the parent to arrive the sick child will remain in the designated areas away from other children until the parent arrives.

INSURANCE

Living Water Christian School carries required liability insurance, but as with other schools, individual coverage for personal injury is the responsibility of the parent when a student is enrolled in a program where tuition is charged.

School Readiness Recipients (4C Program)

The Coalition will reimburse up to three (3) unexcused daily absences per month and an additional seven (7) daily absences with documentation for extreme hardship as defined in rule 6M-4.500, F.A.C for a total of ten (10) days per month. All other child absences will be the responsibility of the parent. Absences claimed under extreme hardship, as defined in rule, must be accompanied by hardship documentation provided by the child's parent/guardian. The Central Agency will follow current internal procedures approved by the Coalition to accurately track, calculate, and monitor provider payments in accordance with this policy.

A. Reporting Child Absences

School readiness providers must inform the Coalition or its designee of any child absent from the program for five (5) consecutive days without parental notification of such absence. The school readiness program provider shall report the absence to the Coalition or its designee for the determination of the need for continued care no later than 24 hours after five (5) consecutive absences. Failure to report such absences

will result in non-compliance and may result in termination of the statewide School Readiness Provider Contract, as determined on a case-by-case basis.

Parents who receive a “**Break in Service**” from 4C will be required to pay the **full regular tuition** rate for their child. A break in service does not mean that you are exempt from paying tuition during the time indicated. If full payment is not made once a break in service is issued, the student will automatically be withdrawn from LWCS and placed on a waiting list. The parent will be responsible for re-enrolling their child if a spot becomes available.

VPK Recipients (4C Program)

You are only allowed three (3) absences monthly and thirty-six (36) days in total for the entire VPK session (***this does not include summer or half year program***). **If the student is absent in excess of three (3) days in any given month, the parent is responsible for the daily tuition at the current posted daily rate for the additional absences.** You will be withdrawn from VPK and LWCS if you are absent for more than 3 days in any given month with no notification to administration. Parents are required to sign the monthly VPK attendance to verify dates student attended each month per funding rules.

**Adopt an attendance policy that aligns with VPK rules and statutes and requires parents to verify the child’s attendance each month on forms required by Rule 6M-8.305, F.A.C.

Please refer to VPK Calendar for closed days.

BITING POLICY

Biting is most common for children between 13-24 months. We are aware that all children go through some type of aggressive stage (biting, pinching, pulling hair, hitting, holding breath). However, if the student is a habitual biter, and fails to respond to corrective measures, this may be grounds for dismissal from our school.

PROMOTION/RETENTION

It is the goal of LWCS to teach students to enjoy school, to be happy with them, to be secure in their friendships, to know they are God’s children, and to be totally prepared in all areas of development necessary for future success in school. Promotions are done with the school year and not birthdays. This helps to prepare a student further for Kindergarten and the changes made there. We may move students during the school year to help with class ratio. Government agencies contracted with the school set the cut off date for each classroom age group.

We are very concerned about each child in our school and take our responsibility to recognize the development of each child very seriously. For this reason, occasionally a teacher will recommend that a child repeat a class, to allow more time for additional growth and development before going into the next class. This recommendation is never made without a great deal of prayer, observation and consultation. No student can be promoted at our school to K3 if they are not potty trained.

CHILD NEGLECT AND ABUSE

Under Florida Law, if there is any reason to suspect child abuse, a childcare worker is required by law to report any and all suspected cases of abuse to a child. Should there be any cases of suspected child abuse or neglect; the center will notify the proper authorities immediately. It is advised that the parent/guardian make the staff aware of any lingering bruising or other visible injury to minimize suspicion of possible child abuse or endangerment.

DISCIPLINE GUIDELINES

We believe that discipline is necessary for the welfare of the student, as well as the entire school. Students want to do what is expected of them. However, young children are not skilled in ways of responding appropriately to other children. Students need to be taught appropriate behavior. Negative consequences may be necessary, but we feel positive reinforcement produces desired behavior. Our goal is to do what is in the best interest of the child, and to work very closely with each child and his/her parents/guardians. We want to help children develop physically, socially, emotionally, and intellectually in a wholesome Christian atmosphere that is safe and orderly. We want to help students understand and be responsible for their choices. The techniques of discipline include: the thinking chair; talking to the child to make sure he/she understands what is expected of them; putting the child in time out seated next to the teacher; offering alternatives; praise and reward; showing affection (hugs); smiling; and keeping communications open between parent, child, and staff.

Students shall not be subject to discipline, which is severe, humiliating, or frightening. Discipline shall not be associated with food, rest, or toileting.

Negative consequences for misconduct are necessary to help students understand that they must obey their teacher and stay within the limits he or she sets for the children. Positive reinforcement is needed for students as well for appropriate behavior. This helps children focus on good conduct.

The school administration reserves the right to dismiss a child whose behavior is continuously disruptive or harmful to other student or teachers. Disruptive and harmful behavior will not be allowed to continue more than one week.

The school administration also reserves the right to call a parent to come pick their child up for harmful behavior. The Parent must be at the school within one (1) hour or the administration will take whatever additional steps are needed.

DRESS CODE

The outward appearance of a person often reflects the predominant inner attitude. Our students are to be distinctive in achievement, appearance, and behavior. Therefore, we have provided a uniform policy for all of our School students. Keeping in mind scriptural admonitions to modesty, the following dress code for students to be:

- Modest (1 Timothy 2:9)
- Not offensive (Romans 14:13)
- Reflect our heart attitude (1 Peter 3:3-4)
- Give glory to God (1 Corinthians 10:31)

Uniforms are required for all students enrolled in our program. The uniform tops must be polo shirts in the colors of Navy (Dark) blue and Hunter (Dark) Green. The bottoms may be navy blue, khaki/beige or black shorts, pants, jumpers or skorts. All shirts will be tucked in. Dress should be such that your child may enjoy running, climbing, playing in sand, and working with arts and crafts materials without worry. If possible, do not dress your child in clothing that cannot be taken off without help, such as suspenders and one-piece leotard underclothing and tight belts. This can be frustrating and often leads to embarrassing bathroom accidents.

Extra clothing must be provided for all students and placed in a zip lock bag with his/her name marked on them, as well as on the bag.

Wednesday uniform: Every Wednesday the students will attend Chapel. Chapel uniform is as follows: Boys and girls must wear a white-collared shirt or blouse. Girls may also wear their blue jumpers with the white collared blouse/shirt underneath. Girls wearing skirts or jumpers must wear shorts or bloomers underneath.

If a student is not dressed according to our uniform policy OR has an accident and no extra uniform clothing was provided, the parent will be called to pick up their child immediately, no exceptions will be made. If a parent/guardian is late in picking up a child that has had an accident, a \$3.00 fee will be required for underwear/diaper, due to soiled materials.

Shoes should cover and protect the feet and allow for safety in running and playing. All children must wear shoes with Velcro or slip-ons. If your child can tie his/her own shoes, they may wear tie shoes. No floppy shoes, sandals, Wheelie's or Heely's or jellies are allowed.

Truancy Laws

Florida Statute 1003.01 defines a habitual truant as a student who has 15 unexcused absences within a 90 calendar days with or without the parent knowledge and consent of the student's parent, is subject to compulsory school attendance under s. 1003.21 School attendance and (2) (a), and is not exempt under s. 1003.21 (3) or s. 1003.24 Parent responsible for attendance of children; attendance policy, or by meeting of the criteria for any exemption specified by law or rules of the State Board of Education.

According to Florida Statute 1003.26, Enforcement of school attendance, if a student has at least 5 unexcused absences within a calendar month, or 10 unexcused absences within a 90 calendar period, or absences for which reasons are unknown, school must enforce school attendance for all students of compulsory school age.

Any student meeting criteria stated within the Florida Statute for truancy noncompliance will have truancy referrals sent to Federal and State Compliance Office and we do collaborate with 2 social service agencies, which are funded by Florida's Department of Juvenile Justice for truancy diversion services for at-risk youth.

By signing our handbook you are acknowledging that the student will have regular attendance mandated by Florida statutes. By signing this handbook, you are aware of the next steps that will be conducted if student is noncompliant with the Florida statutes pertaining to school attendance.

What is fraud in early learning?

The term "fraud" describes when someone intentionally deceives or omits or misrepresents information knowing that that person or someone else may receive unauthorized benefits as a result. Helping someone else commit fraud is also fraud. Since federal and state funds help pay for VPK and school readiness services, the term includes any act that constitutes fraud under applicable federal or state law. Examples include when a person or a provider gives false information (ex., incorrect income) or intentionally does not report information (ex., a new job) in order to get school readiness benefits he or she is not entitled to receive or to make someone else eligible for benefits that person is not entitled to receive. Fraud may occur in VPK if someone alters a child's birth date or falsifies attendance records.

What happens if an individual commits fraud?

A person who commits fraud and receives program benefits they were not entitled to may be arrested, prosecuted, go to jail and have to repay the funds they received that they were not entitled to.

What should I do if I see or suspect fraud?

If you see or suspect that a person or provider is giving false information, you should contact your local early learning coalition so they can investigate the situation and take appropriate action.
